cold call specialist wanted

Safe launch I.l.c. is seeking a cold call specialist to marine insurance companies to secure contracts for our patent pending innovative product. Interested prospects may visit our wb site at www.safelaunchstore.com for product details.

We believe this product is a "win win " for the marine insurance industry. Saving them on claims as well as advertising capabilities. We are seeking a motivated individual that can get inside a corp. to the key person so that we may forward our material of our product directly to that person. The goal of Safe Launch is to get this product in the hands of the marine insurance industry ,which could lead to millions of units being sold.

We have manufacturing and packaging in place for this product. We are also filed with the u.s.p.t.o. for the patent.
